SWASHBUCKLER

The HI-RES sword fighting game!

Return with us now to those exciting years on the Spanish Main when pirate ships flew the Skull & Crossbones and struck fear into the heart of everyone who put to sea!

You're aboard the wickedest pirate ship ever to sail the 7 seas. And you only have the cold steel of your silver sword to protect you! You can charge, retreat, spin around . . . make your sword swing, slash and stab. But, so can your bloodthirsty pirate foes!

What a game! What a way to prove who's the best swordsman in the world!
